

Ontario High School Rodeo Association

THE TOUGHEST SPORT IN HIGH SCHOOL!

Ontario High School Rodeo Association

The OHSRA is proud to be a part of the National High School Rodeo Association (NHSRA) and is governed by an elected volunteer board of directors at the adult level and an elected executive at the student level.

The OHSRA stresses the importance of education and sportsmanship by teaching life skills such as leadership, responsibility, dedication, and commitment. As support and continuing education is high priority to the High School Rodeo Association, we offer scholarship to successful applicants and encourage our youth to strive for excellence both in and out of the rodeo arena.

OHSRA members compete at provincial level for local recognition. The top 4 from each event in both Junior and High School levels have the opportunity to go onto the National level and compete in the NJHFR or the NHSFR.
